Quick Quotes

Q. Alongside the only amateur to make it to the weekend, Gianna Clemente. What do you think it is about you and your game that helped you to do what none of your peers were able to do and play here this weekend?

GIANNA CLEMENTE: I think I really thrive on tough golf courses. I really like the challenge, and this is definitely a very challenging golf course. I think just sticking to my game and knowing that I may not be the longest player but just trusting my swing and I'll be good that week.

Q. What have you learned over the first three days with this being your first major championship as you look tomorrow to have a strong finish?

GIANNA CLEMENTE: I think just any experience in LPGA events is great. I have so much fun out here with my dad on the bag, and we're just having a great time, and playing with the pros is always great, so just learning from playing with them.
