Quick Quotes

Q. Here with Ariya after the third round of the Chevron Championship. A couple birdies out there, a couple bogeys. Talk us through the round.

ARIYA JUTANUGARN: It was quite tough today because the wind started to pick up and the greens were really firm. The last two days played a bit softer. I think the course played a little bit harder from the last two days.

Q. Anything in particular about your game that you felt like you got --

ARIYA JUTANUGARN: I would say I hit my tee shots pretty good today. I just have to work on my second shots. I've been missing lots of greens today, but make some long putts and short putts. So overall it's pretty good. Have a good day, got up-and-down. Missed lots of greens but still got up-and-down.

Q. You've seemed to be pretty consistent out here, too. What do you think your method is about the consistency? How are you approaching the course?

ARIYA JUTANUGARN: I think this course, especially today and tomorrow, you have to be patient and just don't think about the future and not go to the past because every hole is hard. You just have to play it shot by shot and really be present.

Q. You played well in Match Play; how are you feeling about your game right now and the trend you're in?

ARIYA JUTANUGARN: I would say after the Match Play I felt like I had easier commitment because when you play the Match Play kind of like when you miss the shot, it's just let go, start next shot and start next hole. If you lost the hole, it's okay; you have another chance coming.

I try to have that attitude because if I miss the shot, just let it go and try the next one.
