## Haeran Ryu

### TV Quick Quotes

**Q. Alongside one of our co leaders at the top of the leaderboard, Haeran Ryu. 68 today; what was the key to your success?**

HAERAN RYU: Yeah, on the front nine it was so good for me because yesterday my shot is a little bad and I had some problems with it. But I just learned this course is more for the pin and I want to go for more easy putts and make some birdies and that's a big key for me today.

**Q. When you walked over you told me it was a tough day out there today. What was the biggest challenge for you?**

HAERAN RYU: Yeah, the back nine was so challenging for me because the wind started a little more stronger and the pin position was so tough, and my putter -- almost in the hole but always go next to the hole and then make some easy pars. But yeah, it was so hard today.

**Q. You're already a winner out here on the LPGA Tour but will be looking to win your first major here tomorrow. What did you learn from those experiences before that can help you here tomorrow?**

HAERAN RYU: Yeah, I mean, last year I was in the final group of the final round, and I just am thankful again this year. Last year I felt more awkward and nervous, and I'm not enjoying the round. But I wish this year in the final round more enjoy and more calm and more comfortable for my shot and everything for my golf.
