Q. That was just a wild finish. Mai Saigo, you are a major champion in a championship with so much history. What does this mean to you?

MAO SAIGO: This is like dreaming. It was one of my big dreams and goals this year so I still can't believe it.

Q. How were you able to keep your composure there on 18 with so much going on and people having a chance to win but not taking it? How do you keep your composure?

MAO SAIGO: It mean a lot that I made a bogey putt on 18 that gave me more confidence for the playoff.
