Q. All right, Haeran, after your final day here at CPKC Women's Open, just talk me through the round and how happy you are. It's still a really good result.

HAERAN RYU: I can only remember my mistakes from the last couple holes, but there is always next time, so I'll do my best next.

Q. What parts of your game are really good?

HAERAN RYU: Nothing.

Q. That's not true.

HAERAN RYU: Because I'm so tired right now because too many long international flight, but Lauren is (indiscernible). She is (indiscernible) the last five holes I think, and that's it. My mistake I think.
