Q. Here with Atthaya Thitikul. What a round: 5-under 67. Get yourself kicked off here this week. Did you get to see a lot of the golf course before today?

ATTHAYA THITIKUL: I did. I mean, like not like 100%. I played like early morning on Tuesday. Like I finish I think the last group that they going to horn it.

And then, yeah, and then the pro-am for nine hole. But not pretty much like practicing, but, yeah, know the layout.

Q. That's pretty lucky considering the weather we got. Played really well today. Obviously got to see some things that really helped you. What was it like battling some of the wetter conditions out there? You made a lot of birdies.

ATTHAYA THITIKUL: I mean, actually coming to this week, you know, like my iron is not really good. I mean, I'm not really confident with it.

But today just like had a good commitment on it. Even though it's not a good -- I mean, even though it's not like getting that close.

But overall I think I made the putts today, so hopefully I can make it till Sunday though.

Q. You'll be fine I think. Wet conditions. You're playing on wet fairways hitting into greens that are kind of firm. Is that a little bit strange and what did you find on the greens with your putting today?

ATTHAYA THITIKUL: Not really -- I mean, I'm not making the putts since like CP. I mean, like hit it close, but not really, you know, like rolling the ball into the hole.

Today just don't really think about like the line and speed that much. Just what you see and then just keep rolling it. If it's in, it's in. If not, just continue to make it.

ASAP . . . when all is said, we're done.®
