## Emma Talley

### Quick Quotes

I don't know -- I really don't know what she's doing, but she's got some kind of spell on me. (Laughter.) She's great. I really, really do enjoy her, and I'm super thankful she took this job.

**Q. All right, here with Emma Talley. Matching 3-unders, 6-under overall. Nice round out there today. Finished strong. Walk me through the last few holes.**

EMMA TALLEY: Yeah, I made a couple birdies coming in. Unfortunately bogeyed the last one. Yeah, good day overall. I started with a bogey and ended with a bogey. To shoot 3-under was a pretty good day. I'm excited where my game is. I feel confident, and I love my new caddie. She's great.

So feel like I'm at my home course even though it's not even the right state. It's close enough. I have my family here and my best friend came into town today to watch.

It's just fun seeing familiar faces, and I think that always gives you a little bit of motivation -- not motivation, but to see a familiar face is always nice in the crowd.

I'm excited about the weekend.

**Q. What's been working in your game that you've taken this week and really made something out of?**

EMMA TALLEY: Yeah, I think this golf course, it's really important to hit the fairways. I did miss a few fairways, but overall hitting the fairways and putting well. Between those two things, I think that that's why I'm scoring.

**Q. Tell me more about Audrey, a new partnership that's been working really well for you the last couple weeks.**

EMMA TALLEY: Yeah, she's so good. I mean, I don't know how to explain it, but our personalities just match perfectly. The first time really that I have ever felt like truly myself out there. I feel so happy and just calm, and I haven't felt like that in any of the years that I've played out here.

**Q. Finally, being kind of in the mix heading into the weekend here in a place that obviously feels familiar, just how good are you feeling with Saturday and Sunday on tap?**

EMMA TALLEY: Yeah, I'm very excited. Hopefully the weather stays okay. But all you can do is play your best. Everyone is going to have to deal with the rain at some point I think this weekend.

So I'm playing well, so just to keep it going.
