## Nasa Hataoka

### Quick Quotes

**Q. All right, Nasa, bogey-free, two birdies on the card. Just how are you feeling after day two?**

NASA HATAOKA: Today was a so-so. My shots are kind of so-so, and putting just kept missing just by millimeters.

But I think the whole thing my putting was good so I'm going to keep that in mind and go for it tomorrow.

**Q. Greg was talking about it lipping out a couple times or burning the edge. Did you feel any frustration or did you just use that as motivation?**

NASA HATAOKA: I think I was very patient about it, and knowing that the leader was 13-under I did want a lot of birdies, but I was okay.

**Q. You had a birdie on No.4 and a birdie on No. 16. Walk me through what went well there.**

NASA HATAOKA: Both of them were like four meters. I was able to make those putts, so it was good.

**Q. What did you feel was best in your game today, especially when the putts, when you were saying the putts weren't going in when you wanted them to?**

NASA HATAOKA: I think being an afternoon round I knew it was going to be difficult. I think I was able to really adjust to that condition and did well.

**Q. Still in contention. The bogey-free day definitely helped. What will you take away from your first two days as you head into the weekend?**

NASA HATAOKA: I think all my shots and my putting was good, good enough that I can just carry it on over to tomorrow and get a little better each day.
