**Q. Here with Ruoning Yin. It's been an amazing journey. Been a year, about this time last year, way outside of the Top 400 in the world and here you are projected to go to No. 1 in the world in women's golf. What's on your mind right now?**

RUONING YIN: My mind is blank right now. Yeah, I think because before this week I know what position I finish I can be the world No. 1. I just keep that in my mind. Last hole I check the leaderboard and I was like, okay, another week finish third, but assuming I'll be the world No. 1.

It's just amazing.

**Q. It is amazing. Thank you so much for stopping in with us today and congratulations.**

RUONING YIN: Thank you. Appreciate it.
