Q. Jeeno, you seemed to make nearly everything you looked at a today. Bit of a struggle over the closing stretch. How would you describe the round overall?

JEENO THITIKUL: I mean, still pretty good round I guess up finishing with a birdie on the par-5. I don't know how I hit that far from the first tee. Yeah, I get it, take it.

Q. I asked you a minute ago if this heat bothers you being from Thailand. You said of course. What kind of impact does it have on you personally and your game?

JEENO THITIKUL: I think stay hydrated is the most important here. And then you can see all the umbrella, which is the sun it's really killing us this week.

And then but it's good. It's good. I like it more than the cold weather.
