**Q. You guys got a point on the board today after a loss yesterday. How did you regroup and get yourselves to come out here and play so powerfully?**

LEXI THOMPSON: We just stuck to the same game plan coming into best ball and just feeding off each other and being there for each other. When the other one was out of the hole or just (indiscernible).

**Q. Danielle, you guys traded some birdies at the start, and you made a nice birdie at the 5th to go 1-up and you never trailed from that point. Describe the dynamics of this match today.**

DANIELLE KANG: Obviously having Lexi as a partner is really a big help for me. I know that she's gotten a lot of shots down and I know she's going to have a lot of birdie opportunities. It's just really great playing with her. We had a lot of chances (indiscernible) it's just golf. Hitting driver, 3-wood, making pars, and she'd go, nice par. It's been really fun.

**Q. Your game was really there today. You guys are going to need your "A" game tomorrow. You're going to play Sweden who's undefeated. Thoughts about that matchup?**

LEXI THOMPSON: I feel that we need to bring our "A" game every time we tee it up. It's match play, so anything can happen. All we can do is go out there and bring our best.

**Q. Danielle, you're throwing out the first pitch tonight at the baseball game. Have you ever done that before, and your thoughts going into that?**

**ASAP** . . . when all is said, we're done.®
