Quick Quotes

Q. All right, here with Jeongeun Lee6 after her first round at the JM Eagle LA Championship. Tell us about the day today. 7-under, right, you finished?

JEONGEUN LEE6: Yeah, I'm very happy with my game today. I'm working on my shot shape with my coach and I practiced cut shot a few days. That helped me a lot today and I hit 15 greens, so I'm very happy with that, yep.

Q. Is this a course that requires a lot of shot shaping?

JEONGEUN LEE6: Yeah.

Q. Yeah?

JEONGEUN LEE6: We have to make a lot of shots shape, yeah.

Q. You had a lot of birdies today, an eagle, too. What was the key to that? Were you hitting it close or were you making long putts?

JEONGEUN LEE6: The eagle putt, like 15 meters, so I missed the green on the edge. I putt and that go in.

So that hole second shot very tricky, so water left and bunker right side, and I shot shorter than bunker right side and then I made eagle.

Q. Awesome.

JEONGEUN LEE6: Yeah.

Q. Any sort of highlights of the day that were really good for you besides the eagle?

JEONGEUN LEE6: Yeah, yeah, front nine is birdie, birdie, eagle. Yeah, highlights, yeah.
