Q. Lauren and I were just chatting. She said yesterday was a little more stress-free than it was for you out there today. What was the difference?

LAUREN COUGHLIN: Yeah, just missed a couple greens there today on 13. Just hit in that bunker, but other than that, was super easy. Just tried to hit greens and make some putts.

Q. You said yesterday that you really have to be strategic and think your way around this golf course, especially in the fairways. How well were you able to do that today?

LAUREN COUGHLIN: Yeah, I think I did a really good job of that today and I continued to putt really well. Hit some really good approach shots and look forward to the weekend.

Q. Speaking of the weekend, we're expecting to see a little bit more sunshine and warmer temperatures. How do you anticipate you'll have to adjust over the next two days?

LAUREN COUGHLIN: The ball might go just a hair further, but other than that it will just be nice to have some sun and a little bit more warm.
