**Q. Here alongside Ina Yoon. Started the day six back of the lead; now right at the top of this leaderboard. What was your game plan coming into the round today?**

INA YOON: Actually, my game plan was bogey-free round, and I had one bogey on hole No. 10.

But it was trouble shot. It's okay.

But bogey-free round is going well and Michael helps me a lot about that. That's make me good play today, yeah.

**Q. Yeah, you told me a few minutes ago how much your caddie Michael helped you. Gave you so many good numbers today. Certainly a big help when the conditions were so different today than the cool, cloudy weather we saw the last two days. How different did the course play today?**

INA YOON: Today was really warm. I loved it. Last day was really cold, so today warm so I can hit more aggressive, I mean, hit right at the pin and it works.

So I can make many birdies today, yeah. That's why I got nine birdies, I guess.
