Q. Lauren, you kind of book-ended your round with a couple birdies. What were you saying to yourself midway to stay in it?

LAUREN COUGHLIN: Yeah, I think I hit some okay putts and some not-okay putts there in the middle, but I felt like I hung in there really good. Made some good par saves towards the middle third of the round and then was able to finish it off well.

Q. Currently at the top of a jam packed leaderboard. About a dozen players within five strokes of the lead. What's it going to take tomorrow to separate yourself from pack?

LAUREN COUGHLIN: Make a lot of birdies.

Yeah, I don't know. Just going to go keep doing what I been doing all week and see where that puts me.
