## Gemma Dryburgh

### Quick Quotes

**Q. All right, here with Gemma after her final round here at the JM Eagle LA Championship presented by Plastpro. To make the cut on the number and back-to-back outstanding performances, what went into the back half of this week.**

GEMMA DRYBURGH: Yeah, I feel like the first couple rounds was playing well; just making a few too many bogeys. Cleaned it up on the weekend and, yeah, got a couple eagles today, which was good fun.

**Q. Is it something that clicked or something you've been working on this you're finally starting to take advantage of?**

GEMMA DRYBURGH: Yeah, I think the putting has been clicking a little bit more. Kind of had the first couple rounds a few three-putts and kind of fixed that up this weekend and just seeing the lines a bit better, so hopefully that continues for next week, too.

**Q. I was going to ask, what do you take from this week and how much confidence does the back half of this week give you heading into Chevron?**

GEMMA DRYBURGH: Yeah, definitely gives me a lot of confidence. I actually had my U.S. Open qualifier on Monday and finished with five birdies there, so it's nice to have the start of the week and end the week like that.

So, yeah, lots of confidence going into next week and just do the same thing I did today and I'll be fine.
