Quick Quotes

Q. All right, a solid way to finish out the Buick LPGA Shanghai. I know we're watching some other things come in as well, but just overall your experience on this final day.

ESTHER HENSELEIT: Yeah, I had a great week. I was hitting it really good today. Yesterday wasn't my best ball striking day but today was much better.

So I had a lot of chances, and, yeah, rolled some nice ones in on the back nine to be in contention.

And then, yeah, had a chance up 18 and gave it a good go, so happy with my finish.

Q. That eagle there that put you back towards the top of the leaderboard, walk me through the game plan there.

ESTHER HENSELEIT: I hit 3-wood off the tee. Yesterday I had driver and I kind of was fretting, so I thought I would give myself a bit more room.

Hit a really good 3-wood down there and hit a hybrid in and used the backstop a little bit. Only had a maybe an eight- or nine-footer for eagle and made that one, so that was nice.

And, yeah.

Q. Giving it all you got on 18, over what does this say about the state of your game heading into BMW next week?

ESTHER HENSELEIT: I feel like my game is in a great place. I need to heat up the putter a little bit for next week. I feel really good about the work I've done over last few weeks. Yeah, looking forward to the next few.
