Quick Quotes

Q. All right, here now with Chanettee Wannasaen after her first round at the Buick LPGA Shanghai. Just take us through your day. Eight birdies on the round. What was working so well?

CHANETTEE WANNASAEN: Actually like on practice round I hit -- like the iron is not good, but today I think my driver is on the fairway so it's that easy too made a birdie.

So, I don't know. I feel like I didn't play golf for a long time because I have four week off in Thailand, so I don't know. I forget my English actually. (Laughter.)

Q. What do you like about the course?

CHANETTEE WANNASAEN: The golf course, I think it's really wide open. Like from the tee box you can see everything, like water, tree, and other holes. It's really wide open.

But if you miss the fairway it's very tough. Like you cannot hit on the green from the rough. Yeah.

Q. What will you work on heading into tomorrow's round?

CHANETTEE WANNASAEN: I think I'm going to get more focus, because I think like my iron is not -- it's good today, but like some hole I miss that. So it's pretty good, so I hope tomorrow is going to getting better.
