Muni He

Quick Quotes

Q. Muni, terrific round. 66, bogey-free. We saw quite a bit of your round out there. Certainly looked pretty solid. Did it feel that way to you?

MUNI HE: Yeah. I think it went by really smoothly and really quickly, and before you know it the round was over and no bogeys, so I'm very happy.

Q. You played last week down in Shenzhen, LET, Aramco event; here in Shanghai this week. What does it mean to you personally playing here in China?

MUNI HE: It's so good to be back home in China, especially these past years after COVID. The support has been tremendous, and having a lot of familiar faces and just friendly support means a lot.

So it's nice to be back.

Q. Rookie season on the LPGA was back in 2019; five years out here now; three career Top 10s. Watching today it appears that you belong with the best. What do you feel you need to do to take it to the next level?

MUNI HE: Thank you. Yeah, I think, again, just it went by in the blink of an eye. No it's my fifth season. I stopped counting. I think I've had some really great highlights on tour. Certainly I would hope to achieve more and it's all about getting more consistent days of golf out here, which is tough.

You know, the girls out here are so good. Yeah, hopefully can get some more good results to come.
