**Q. Okay, Chanettee, will you take us through your round today. Really solid six you said. How was today maybe different from yesterday?**

CHANETTEE WANNASAEN: Actually today is very perfect shot for me because like I got six birdie in a row. That very perfect on today for my short game, yeah.

**Q. How would you rate this course? Is this course hard? Long? How would you describe this course for you?**

CHANETTEE WANNASAEN: This course is not hard, because green very soft. Is similar like Portland, but a little bit long. Just a little bit. It's not hard, yeah.

**Q. Speaking of Portland, how have you been feeling since your first win? How is your confidence and your game in general since Portland?**

CHANETTEE WANNASAEN: I got more confident from the Portland and I don't worry about my ranking at all. Just do the best on every tournament I play, yeah.

**Q. I was following you today and I see that during your round you were quite easygoing a little bit. Is that something that carry on from yesterday or today did you feel more relaxed when playing the round?**

CHANETTEE WANNASAEN: Actually, I think normally I can play this course -- I think I can play really good, but yesterday I got a lot of bogey, yeah.

But today it's perfect for me.

**Q. So there is two days left. What is your thought for this tournament?**

CHANETTEE WANNASAEN: I want to win. I want to have a second win for my rookie this year, because I want to play in CME on the next two weeks, yeah. I want to play in CME.
