Q. Rose Zhang, a round of 65, 7-under par. Just a master class in ball striking.

ROSE ZHANG: Thank you so much. It's been very solid throughout the day. I felt like my game was very solid just from tee to green, and I was able to convert the putts I needed to.

So I stayed composed out there and with Olly on the bag. It was just a fun time.

Q. You played very well the first two rounds but today was an exception. What was the difference? We think Olly has made a massive difference to you.

ROSE ZHANG: Of course. I think Olly makes a huge difference, especially with us just enjoying the golf course and having a good time.

But I felt like our game plan was just very solid throughout the three rounds. I didn't change anything in particular. Just making small adjustments here and there, and having fun is the most important thing and staying committed to every shot.
