Quick Quotes

Q. Another really good result for you this year. Can you take me through the round today, some of the highlights and the playoff?

ATTHAYA THITIKUL: Yeah, pretty good. I feel a lot more confident with my game now. I fought really hard on the playoff, and both of us are hitting really great shots and it paid off.

It just goes to someone who did it better.

Q. How much does it take to just play in a nine-hole playoff and to be doing so well matching each other shot for shot?

ATTHAYA THITIKUL: It's exhausting. It's like -- it's pretty tiring, to be honest. But I think it's the best playoff I ever had in my life.

Even if I lose, but I feel like, oh, damn, we played so good.

Q. What were maybe some of the key moments out there for you today? Any particular highlights stand out for you as being something you're really proud of?

ATTHAYA THITIKUL: Should be the last putt on 18 to force the playoff. I couldn't forget that for the rest of my life.

Q. I know you're going home next week. What are you looking for to enjoying in your weeks off before CME in a few weeks?

ATTHAYA THITIKUL: Yeah, looking forward to going back home. Really looking forward to spending my time with my family, my dogs. I just have two weeks left for this year, so hopefully we end on a really good note.
