Quick Quotes

Q. Here with Ruixin after her third round at the Maybank Championship. Just talk about your round today; 4-under 68.

RUIXIN LIU: Well, you know, at the beginning it was a little bit frustrating because all the way until hole 17 I haven't holed anything more than six feet.

So with the swing being that good just not be able to hole anything is a little frustrating, but to finish strong with two birdies really made my day.

Q. And how did you stay patient out there, do you think?

RUIXIN LIU: I kind of get a little angry at myself with my putting a little bit, but John said, hey, forget about it. Let's move on. You're going to get the last two.

Q. Did you check leaderboards at all out there?

RUIXIN LIU: I did look at my phone to check the leaderboard on 18. I know I'm far away but I'm just cheering my friend? Ruoning on.

Q. You never know. A lot can happen tomorrow. How excited are you for the opportunity to chase tomorrow?

RUIXIN LIU: For me to be in the Asian Swing right after Boston feels surreal. Right now I'm just surrounding myself in this atmosphere and enjoying my day.

Q. You've had a lot of great runs throughout the year. How would you describe this year?

RUIXIN LIU: I think I made a lot of improvement and I think my allergy feel much better after some treatment. Overall very satisfied and now just try to go low tomorrow.
