## Ruoning Yin

### Quick Quotes

**Q. Here with Ronni after the third round. Solid round today. Just talk about how it went out there for you.**

RUONING YIN: I think I had a hot start today and just made a couple putts on the front nine, and then I slowed down a little bit from -- start from 7, 7 to 13 I think.

I just left myself really like a lot of birdie chances but couldn't make it until 14.

My caddie, David, he told me, be patient. Just do what you're doing and a birdie will come. I'm really happy that I had a great finish there.

**Q. And how much have you just enjoyed playing this golf course?**

RUONING YIN: I mean, this course, I think it's really fun to play. You just need to -- every shot just need to be at the right spot. If you mess up, you messed up and it's going to be a lot penalty as well.

I think overall this course suits me a lot.

**Q. Just talk about coming down the stretch. You talked about 16. Just the last three holes coming in.**

RUONING YIN: Yeah, 16, a little into, left-to-right wind and I push my 3-wood and bounce into the woods.

The lie was okay and I just tried to chip back to the fairway and leave myself a wedge to save par. I did a great job there.

And 17, 17 is pretty normal hole.

18, I mean, my third shot was pretty saucy. I would say that's my favorite shot of the day.

And a good finish, and I think that give me a lot of confidence going into tomorrow.

**Q. And another shot for another win tomorrow. Talk**

 **Maybank**

**Championship**

**about the opportunity for that to happen again.**

RUONING YIN: I would say I wouldn't think about winning that much. I just want to go out, just what I did today and last two days and just go out and have fun and enjoy play the game.

Tomorrow with Jeeno is going to be a lot of fun, too.

**Q. Yeah, I was going to say, it looks like you'll have a lot of fun out there with her. Looks like it'll be a good group. How much does that help with a final pairing?**

RUONING YIN: We never play together in the final group before, so I don't know what's going to be like.

**Q. Like any other day.**

RUONING YIN: Yeah, just like a normal day I would say.
