Quick Quotes

Q. All right, here with Celine after the third round the Maybank Championship. Solid round today. Just talk about how it went out there for you.

CELINE BOUTIER: Yeah, I thought I played really solid. I started off with a birdie on the first so that was a good start. Birdie on last so good finish.

Yeah, I think I played solid. I gave myself a lot of chances. A few putts fell short, but, I mean, overall I thought I did okay.

I was able to get up and down when I was missing the greens a little bit. It was a bit of a scrambling round and solid third round.

Q. And three rounds into this year are you having flashbacks, memories from playing last year?

CELINE BOUTIER: Yeah, a little bit. I mean, I definitely was reminded of 18 hole location. They used it on the last round last year. I was kind of a little bit disappointed. I thought they would keep it for tomorrow.

I think it's another tournament. Obviously it's good to have memories and stuff, but also know I have to focus on what I'm doing and I feel like this courses is pretty scorable so you have to go out there and be aggressive.

Q. And defending champ this week. Your face is everywhere. There are a lot of fans supporting you. What's that been like to see so far?

CELINE BOUTIER: It's been really fun to see a lot of people out on the course and supporting the tournament and supporting me specifically. Just them recognizing me from last year, that's always very nice.

Q. And you've come back before. You'll have a chance to chase a little bit tomorrow. What are you looking forward to tomorrow?

CELINE BOUTIER: I think I'm just going to have to make a

lot of birdies. I feel like this course is definitely scorable. I just have to get few putts rolling. I think my game is close and the fact that I can still come back is always positive.
