## Anna Nordqvist

### Quick Quotes

**Q. Here with Anna Nordqvist after a hole-in-one today. Just talk about the shot, thought process going into it and seeing it go in.**

ANNA NORDQVIST: Yeah, I mean, the tee was moved up a little bit so I think it played 100 yards today. Hit a little gap wedge in there straight at the pin.

You can't really see it, so it was nice to see some spectators up there cheering for me. Obviously being close for a couple years now so it's definitely nice to be able to make one.

**Q. And how many have you had in your career?**

ANNA NORDQVIST: I was trying to count but I lost count. I think it's like maybe between seven to nine.

**Q. That's a good problem to have.**

ANNA NORDQVIST: Yeah.

**Q. Do you remember the last time you made one or were they all out here?**

ANNA NORDQVIST: I think I made one at a tournament in Spain a couple years ago.

**Q. And I'm sure you might be aware but there is a donation made to St. Jude's Children's Research Hospital because you made the hole-in-one. We're near a million at this point through this year. What does that mean to hear that?**

ANNA NORDQVIST: It's awesome. It's nice to see they do things for a good cause, and if I can contribute, great. Obviously I'm very excited about my ace.

Yeah, love to see it and it's nice to see so many fans out here, everything they do for the community here.
