Quick Quotes

Q. All right, here with Jeeno after the third round the Maybank Championship. In the lead right now. Talk about how today was for you.

JEENO THITIKUL: Was good. Couldn't ask for better. I mean, like I have been in contention week in, week out, and then what I focus for about, it's just like trying to do better every day no matter any people going to do.

But like today is the day I really enjoy playing and everything went so well.

Q. And just talk about returning back here to the Maybank Championship. Obviously had a great year; played great last year. What's it been like this year so far?

JEENO THITIKUL: It's been like a heaven week to be honest. You know, like KL close to Thailand and feel like a second home here. All the fans cheering out here, it's really nice and amazing to be here.

And then also the golf course, it's one of my favorite so far.

Q. Is there anything in particular about the golf course that you really just like?

JEENO THITIKUL: The green. Like I said, the green. It's so smooth. You can't see any scratch on the green at all. I'm just like oh, these one of the smoothest green we have on the LPGA Tour.

You know, give a big (indiscernible) to all the staff and volunteer.

Q. And you're going to head probably into tomorrow with the lead. You'll be playing with some familiar faces. You've played with Ronni, against Ronni. What's it going to be like in this final group tomorrow chasing another victory?

JEENO THITIKUL: It's going to be fun for sure. Maybe Haeran, Ronni. I think we play -- this past few week we

play together a lot. Not just Ronni, but also Haeran only as well. That's pretty much I really want to play. Last round in KL with all the bestie is more than I can ask for.

Q. You're all pretty young. All toward the top of the leaderboard most of the time. How fun is it to have the consist of the group of you all?

JEENO THITIKUL: Yeah, it's just fun. We trying to put a show for all the fans here. You know, we kind of new generation coming up because we just only 20, like 19, 20s, just a new generation trying to be like all the generation that they have put in all the show for all the fans.
