Quick Quotes

Q. All right, here with Kristen. Made a hole-in-one today on No. 4 I believe it is. Talk through the shot and watching it go in.

KRISTEN GILLMAN: Yeah, I had 100 -- well, with the elevation it was like 101 yards. Hit my gap wedge. Usually stops like 105, so I just took a little bit off that. I guess -- I just watched the video. I couldn't see it because it's a little bit elevated, but I guess it took two bounces and went in.

So the crowd started screaming, so kind of knew it went in.

Q. How many hole-in-ones have you had before?

KRISTEN GILLMAN: That was only my second one. My other one was in South Korea, so I guess I only make them in Asia.

Q. I'm sure you might be aware, but there is a \$20,000 donation for every hole-in-one made going to St. Jude's. What does that mean to hear that?

KRISTEN GILLMAN: Yeah, that's awesome. I think that any way we can give back, feel like that's something easy that we can do, so hopefully we keep hitting good shots and keep making hole-in-ones in so we can keep donating more money.
