Quick Quotes

Q. All right, here with Charley after her 65 in the final round. Really great round today. Talk about what stuck out.

CHARLEY HULL: I played pretty well from the getgo to be fair. I know I shot 65, but I left a lot of shots out there, especially on my back nine; missed few putts.

But I had a good up and down on the last to make par, and shot 7-under. I felt like I had four weeks off so kind of first few rounds was getting back into playing and now I feel pretty good.

Q. I believe you had a stretch of four at one point. Were you like, how low can I go today?

CHARLEY HULL: Yeah, 100%, especially when I made the turn. Like I gave myself chances on 1, 2, 3 I was on the green about 35 feet away and two on the par-5, and then I putted it off the green and had to make an up and down to save par.

And then a couple putts coming in. From there, I kind of like had so many chances.

Q. And talk about those last four weeks, too, as well. What did you enjoy most about being home?

CHARLEY HULL: I just love being at home. I love being with my boyfriend. I just love England. I seriously love England. When I come away I get really homesick, so I'm so excited to go home. I'm in Saudi next week and then I'm home for a week.

Q. And then looking at the end of the season, what are you looking forward to most the last few events?

CHARLEY HULL: I like the Tour Championship. Obviously I like the golf course the week before as well. I'm excited to be on that plane home to spend Christmas at home.
