Quick Quotes

Q. All right, here with Bailey Tardy after the final round; 65 to finish. Just talk about today for you.

BAILEY TARDY: Yeah, today was really fun. Just kind of wanted to go out and have a Sunday Funday if you will, try to bear the heat and stay hydrated. That's what I did today.

Q. Anything that stuck out in your game today?

BAILEY TARDY: My putting. I putted really well today. I've been struggling with that all year and so really the last three weeks my putting has been coming together, so pretty proud of that.

Q. A busy stretch of golf for you. You're headed home I believe now. How excited are you to wrap right now?

BAILEY TARDY: I'm very excited. Being three weeks in Asia is never really that easy, especially coming from America.

So, yeah, I'm excited to go home and see my dog. Yeah, just be home.

Q. Last stretch of tournaments. What are you looking forward to most?

BAILEY TARDY: Off-season. It's just been such a long season. I haven't been playing that great so kind of to see my game trending in the right direction toward the end of the year is something positive.
