## Marina Alex

### Quick Quotes

**Q. Here with Marina after the final round. Just talk about the round you had today. Picked up there a little later.**

MARINA ALEX: Yeah, it was a solid round. I got off to a shaky start yesterday and really battled to get myself back into a good place. Felt like I played a little bit better today, more calm; hit some better shots.

The pins were tough, so I feel like I did the best I could. Left a couple out there but pretty pleased overall.

Not really sure where this left me for the day. We'll see. There are some low scores.

**Q. Looks like it'll be a top 10 finish. How awesome is that to hear that?**

MARINA ALEX: Yeah, it's great. Took three weeks off and it's good to see some of that work has paid off. Feeling ready to go for Japan and excited. Like a lot of great things this week and ready to build on that.

**Q. And I know you worked on a few things your coach. Did you really see those things shine through this week?**

MARINA ALEX: Yes, definitely did. The old stuff kind of finds its way in there a little bit here and there, but I recognize it and I'm able to kind of work through that, which is good. I have cues and things to do, and I just feel like, okay I'm getting a little bit off track. Overall I feel like I'm really pleased with the week.
