Q. All right, here with Yan Liu after her first round. 5-under here at the TOTO Japan Classic. Take me through your round today and what was working well for you.

YAN LIU: I think today the weather is very good so I feel very comfortable. I just hit very good shot, tee shot. Because here the fairway a little narrow but the rough isn't very difficult for me, so I just hit very good shot on tee box, yeah.

Q. And what are some of the goals this week being maybe your second or last event of the year?

YAN LIU: Yeah, I really want to go to CME, last one, the tournament, so I have two more chance. Right now I'm 72 so kind of need a very good score that I can get in.

So my goal is top 10 (smiling.)

Q. I love that. Love a good goal. What do you have to do to be in the top 10 this week? What sort of rounds are you looking for? What do you have to do in your game?

YAN LIU: I think just keep my patience. Sometimes I just not very patient person, so, yeah, just keep my patience so it's good for me.
