**Q. You have bogey free rounds for 1st 2 days. How do you see your rounds?**

Yes, my shots are pretty steady this week. I have a lot of birdie opportunities. Everything goes very smoothly

**Q. Any particular point to play well today?**

Nothing actually. But, I got something good feeling during the round yesterday and kept that momentum.

**Q. You played with Nasa today. How is that?**

Yes, I really enjoyed it very much. It was my first time playing with her and I tried to learn something from her today. I learned a lot from her, especially shots from the rough.

**Q. You are currently leading the tournament. How do you want to play the next two rounds?**

It's just the first two rounds. I try not to think about it very much and just concentrate on my shot one by one.
