Quick Quotes

Q. All right, I'm here with Miranda Wang after her first round at the Blue Bay LPGA. Solid round today, 5-under. Talk about your round and maybe the four birdies you had coming in.

MIRANDA WANG: I think I shot 6-under.

Q. Oh, that's right.

MIRANDA WANG: No worries. So I think my putting was really working well today. I was getting the speed right and that was really helpful.

Q. And those last four birdies you had, the streak there, what was going through your mind?

MIRANDA WANG: So coming in like on the back nine there are like some short holes so we had chances to put the ball next to the hole like to give us some short putts for birdie; I really did that.

But also there was like one special birdie I made from outside of the green that was really good luck.

Q. Can you talk about that shot?

MIRANDA WANG: So I think I was -- I forgot what hole that was. It was like I hit my pitching wedge but it was coming out from the rough so like it had very low (indiscernible) over the green. It was like big downhill.

I was just wanting to give it a try. I didn't expect that to go in so it was a surprise.

Q. Is there anything about this course that you enjoy, that you think suits your game well?

MIRANDA WANG: Well, today I really enjoyed putting on the green, and also I think the fairway looks pretty good to me, too.

Q. Have you ever played here before?

BLUE BAY LPGA

蓝湾大师赛

MIRANDA WANG: I played once, not in the tournament. Just for fun with friends.
