Quick Quotes

Q. All right, I'm here with Stephanie Meadow after the second round at the Blue Bay LPGA, 4-under. Talk about your round, especially the two birdies you had on the last two holes.

STEPHANIE MEADOW: Yeah, it was really nice to birdie 17 and 18. I hit the ball really solid. It was a little bit gusty out there today so you got to play smart.

I was really happy how I hit the ball today.

Q. You also played at Drive On Championship. What have you been up to since the then?

STEPHANIE MEADOW: Not a whole lot. Just family. We got a new puppy so we have two puppies now. Just spend time with my husband and practicing as much as I could.

Q. What's its name?

STEPHANIE MEADOW: Ellie is our new one and then we have Dallas.

Q. Nice. You haven't played here before, but what are the impressions of the course and any way you think it suits your game?

STEPHANIE MEADOW: Yeah, it's been great. I've thoroughly enjoyed our stay here is far. It's been great up at the hotel and the golf course is in really good shape. It's one of those golf courses you have to hit solid iron shots in and position yourself well with how undulating the greens are.

But, again, it's all to play for on the weekend. Just put some good shots together and see where it goes.

Q. You're in your tenth season, right, on the LPGA Tour?

STEPHANIE MEADOW: Yep.

Q. What can you say has helped your longevity and

patience?

STEPHANIE MEADOW: That's a great question. I don't know, this is what I've always dreamed of doing. I can't imagine -- obviously at some point I'll stop, but I am just really thankful to still be out here and have such a long career, and hopefully I can make my last few years even better than the first ten.
