SEI YOUNG KIM: Yeah, I didn't know when the ball is make it, but a lot of spectators reaction. I was like, I was asking, is it make it? He's like being maybe.

So it's awesome. It's awesome. So I had a chance to the final round, so it's good momentum the last hole.

Q. And you're a champion of this event. What's it like to be back here and see your face everywhere?

SEI YOUNG KIM: I'm glad to be back here because we couldn't play for a couple years. Yeah, this is one of my favorite course, so I'm very happy to be back here, especially I have a good memories of first year.

Yeah, I'm very looking forward tomorrow. Exciting.

Q. And what are your thoughts about the course? Why do you like it so much? Is there some way it suits your game do you think?

SEI YOUNG KIM: This golf course is a little different than other course because the greens are a lot of undulation. Depends where the pin is sometimes easy to make the birdie, sometimes easy to make the bogey.

It's like a very (indiscernible) golf courses, so it's fun to play.
