BLUE BAY LPGA

蓝湾大师赛

Q. All right, I'm here with Savannah after her final round at Blue Bay LPGA. What an exciting day to watch you. I know you had a lot of fun out there looks like. Talk about your day that you had.

SAVANNAH GREWAL: Yeah, I mean, it was just a lot of fun. I played with Rachel before so it was nice to have a familiar face in the group. And to be playing with Minjee was a little surreal because I feel like I've seen her on TV so much, and to be actually there playing with her was really cool.

And then also just seeing the crowds was amazing. Like I loved it. It was the coolest thing ever. In college golf you don't get people besides your parents watching. For there to be crowds and cheering was really good, and I felt like it fed me a lot of good energy too, which was a lot fun. And having my brother on the bag is always good time so we had some good laughs out there.

Q. What did you think this does for your confidence? Went from missing the cut in the last event to making a run for it in this one. What does that do for you and the rest of the year?

SAVANNAH GREWAL: Yeah, I think this just honestly proved to myself that I'm good enough to be out here and good enough to come out here and not just try to survive and make the cut, but come out here and compete with the best players in the world.

Definitely feel like I can take a lot of confidence and excited for the rest its season especially because this is just the beginning.
