**蓝湾大师赛**

**Q. (In progress.) Player on Tour this year averaging just shy of 280 yards. Where does that distance come from?**

AUSTON KIM: I mean, I've grown up just trying to hit the ball as far as I can. I just like being an aggressive player. That's my style.

**Q. And that's going to hopefully work around there. Longer players have won around this track before. What do you think is the number you'll need tomorrow to lift the trophy?**

AUSTON KIM: I don't know. I don't try to play while thinking about numbers. As low as I can possibly go.

**Q. Are you looking forward to it? Have you had a good time this week? I mean, being right in the mix going into a Sunday is very exciting out on the LPGA.**

AUSTON KIM: This is why I work so hard, to be in contention every single week, so I'm really enjoying it.
