BLUE BAY LPGA

蓝湾大师赛

Q. Here with Minjee after her final round here at Blue Bay LPGA. Fantastic 11-under for you on the week. What worked so well for you?

MINJEE LEE: I chipped in four times, so that's obviously going to help. I think I made three eagles and a birdie chip-in, so, yeah, no, that's always nice to see it go in.

You know, I think for most of the week I was hitting it pretty solid. Just try to capitalize on the shots that I hit close. It's quite hard if you're not on the right sections of the greens here, so I did have a few putts over hills.

Other than that, nice week this week.

Q. One last one: Do we have a new Dr. Chipinski in the family?

MINJEE LEE: I never left.
