# CHAMPIONSHIP

**Q. Here with Yuri after her 69 today. Just talk about your round today. Had a couple birdies I saw on the scorecard. Talk about how your game felt out there.**

YURI YOSHIDA: I think pin position was very difficult and tough conditions, so I focus on the fairway and on the green.

That was so good I think.

**Q. Was there anything in particular about TPC Boston and the way it played today that helped you get to a 69?**

YURI YOSHIDA: Fairway is I think wide but greens very narrow, big undulation, very fast, so I try good speed today.

**Q. And you're a 2024 rookie this year. It's been almost eight months. Just talk about what you learned most being on the LPGA Tour.**

YURI YOSHIDA: I learn a lot golf and English, food, so many things.

But I enjoy this tournament and I will play more good, so I keep try this tournament.
