# CHAMPIONSHIP

**Q. Tell me a little bit about today. What clicked for you? What worked.**

KIIRA RIIHIJARVI: Honestly I hit a lot of fairways and a lot of greens. It's quite important on this golf course, and then I got some putts to drop in so I gave myself a little bit of cushion in the front nine to just kind of play free.

**Q. Did you realize at some time you were in the lead?**

KIIRA RIIHIJARVI: I did see that on 16 when I three-putted. I didn't think it would affect me, but I guess it did.

**Q. How do you manage that on the course? I mean, the bogeys, the birdies, up and down?**

KIIRA RIIHIJARVI: Honestly, it's just part of the game. Sometimes you make a lot of birdies and sometimes you make a lot of bogeys. Just got to accept both of them. I feel like this golf course is like the greens are a little bit tricky, so not surprised there will be more bogeys.

Just got to accept it and move on to the next hole.

**Q. Coming into this week in your position in the rankings, what were you expecting?**

KIIRA RIIHIJARVI: I mean, I was just happy to get in the tournament, to be honest. I wasn't quite sure if I was going to get in and really wanted to get in because I have never been to the Boston area. I'm just excited to get to play and have the opportunity to get my ranking better and happy to be here.
