# CHAMPIONSHIP

**Q. Tell me about your first two days and especially the round today.**

CELINE BORGE: Yeah, it's been fun to play here the two first rounds. Today was a little struggle, but I managed to get some good up and downs. Then I had two hole-outs too from outside the green, so that was good.

**Q. (Regarding the golf course?)**

CELINE BORGE: Yeah, you have to plan and try to hit it like -- yeah, it's fun.

**Q. At this point in the season, what were your goals and what is the big goal for you?**

CELINE BORGE: I'm just trying to do my best. I don't have any result goals or anything. Just try to hit good golf shots and see how it goes.
