## Celine Borge

### Quick Quotes

# CHAMPIONSHIP

#### **Q. Can you take us through the best moments of the round?**

CELINE BORGE: Yeah, I start very good with four birdies on the first four holes, and then I felt I hit a lot of fairways and greens. Then I hit it close to the pin and I holed some putts, too so that was very nice.

#### **Q. What was the best part? Everything kind of went together?**

CELINE BORGE: Yeah, yeah, everything worked today I felt.

#### **Q. More the putting?**

CELINE BORGE: No, I didn't hole like that many. It wasn't like any long ones, but, yeah, it was good.

#### **Q. What does to tell you about your game? What would you work on in the next two weeks?**

CELINE BORGE: I've been working on hitting more greens, so I'm going to still work on that, try to hit it closer to the flag, too.

#### **Q. What comes next?**

CELINE BORGE: The tournament in Cincinnati and then Arkansas, so two weeks off.

#### **Q. So you look at the rankings and the year, do you have a specific goal?**

CELINE BORGE: Just play, yeah.
