CHAMPIONSHIP

Q. What a wild and crazy week it was for you. I don't know where to start. You shoot your personal best 62, then you lose your lead, shoot 78 yesterday, come back today with a 64. What does this second win mean to you?

HAERAN RYU: On the second round, I felt amazing. I think it's a little bit more higher my feel, and my shot is really bad at the third round. After the third round, I called my coach, and hey coach, my ball is going other ways except the pin, and my ball is not going right to left. He said to me, your original ball is a fade, so tomorrow you just miss it to right and just keep right side is fine.

Today I tried the backswing for upright, so today my shot is really good again, so I made it 8-under par.

At the playoff, I'm so awkward and nervous, but I mean, thanks for the God, yeah.
