### Quick Quotes

**Q. All right, here with Yan Liu after her third round here at the Black Desert Resort. Very solid day for you today. Another eagle on the scorecard. What's working so well for you out there?**

YAN LIU: Well, that one eagle I didn't realize I can -- it's like 20 -- I mean, over 60 feet I think. So, yeah double break. I just try to putting it closer to the hole and so it's very surprised.

**Q. And the eagles have come on the par-5s obviously. Does the elevation help with that? Are you hitting the ball farther because of the elevation or what is it?**

YAN LIU: Actually, that hole we -- I think we not unlucky, yeah, because on 11 -- 12, we hit into wind and 13 into wind again.

Yeah, the wind just switched. I had really good driver actually not far, and I actually go 3-wood into the green, yeah.

**Q. You were extremely accurate today. Only missed one fairway and one green. Is that helping your success out here?**

YAN LIU: Yes. Definitely not go into the rock here is the key for the course.

Yeah, I had a lot like 4-iron, hybrid to fairway.

**Q. And you've obviously been playing really well these last couple weeks. What is it about your game right now that's working the best?**

YAN LIU: I think I change the shape. Before I hit draw; right now I hit fade. I think this help me to control my swing and my distant control.

**Q. And then just last one: What have you made of the resort and the course and just all the views you get to**

**Q. Love that.**

YAN LIU: With my family, then come here, like spend like one weeks. I feel it's amazing.

**Q. Are you a big hiker? Would you go hiking or would you golf?**

YAN LIU: If I holiday, yeah, I will go both.

**Q. You would do both?**

YAN LIU: Yeah. I mean, on this course feel hiking on the course. Yeah, it's pretty tough for walk.
