### Quick Quotes

**Q. Okay, here with Haeran Ryu after her third round here at the Black Desert Resort. Take us through the day again. Obviously this eagle on No. 11, too.**

HAERAN RYU: Yeah, today was such a long day because too many winds today and then the course is more firmer than last two rounds, so I just want to keep staying on the fairway but that's too hard for me. Today I make some eagle again and lots of good thing. I just forget my last; I miss putt.

**Q. How different did this course play today with all the weather and stuff we had versus the last couple days?**

HAERAN RYU: Yeah, such a harder than last two days because it's too windy and the green was I think a little bit tough to read right because too windy.

So I got a lot great putt today, but I just missed putt. Yeah, I want to forget that.

**Q. For the players who aren't here, when you see them later on Tour, what are you going to tell them about this course and this event?**

HAERAN RYU: Yeah, I think here is best view on the year I think, because the mountain is a pretty good and lots of good things in here.

It's pretty here. I just say it's pretty here.

**Q. You're in contention again for your third LPGA victory. It would be your second win in an inaugural event. What is it about coming to a new venue, a new course, that maybe helps you or something?**

HAERAN RYU: Yeah, it's really excited because I think FM Championship was I think the first winner, right? So I just want to try again.

I think I like the first tournament because everybody is first

playing here, so I just want have fun for the find a good thing on the course.

**Q. We're going to have some weather again tomorrow potentially. What will you take from this round specifically with the weather into tomorrow?**

HAERAN RYU: Yeah, I think I got three bogeys today. That's have to make some problem for my tee shot going to the rough, so that is so tough.

So tomorrow I learn and I try to more keeping on the fairway and the green. That's good key for the final round.

**Q. You got play with Somi today. You guys were partners at Dow last year.**

HAERAN RYU: Yeah.

**Q. How fun was it to play with such a good friend?**

HAERAN RYU: Yeah, I thought my English not perfect right now, so every round I a little bit too hard thinking for translate on my head, but today's not working.

**Q. Just Korean today.**

HAERAN RYU: Yeah, just Korean today and just talking for the course with my caddie that's English of that, so that's good. And enjoy today.
