BLACK DESERT  
CHAMPIONSHIP

**Q. That was incredible golf, flawless golf today. Six birdies and an eagle. You had an eagle in round two and round three and round four. What does this mean to you to finally get your third win?**

HAERAN RYU: Yeah, I mean, yeah, was so incredible day again because I think I have a new record for my golf because the best score on the final round was -- end score was 23, so today is 26, so it's amazing.

Then I make some eagles for the three days in a row so that's really, really good again. (Smiling.)

So I think this week it's so happy, yeah.

**Q. What did you say to yourself when Esther got off to a strong start, got within one? Then on the back nine, Ruoning was making a move. How were you coaching yourself to stay solid?**

HAERAN RYU: I thought they're really good player and I think they have pretty good start at the back nine. I still pretty good today, so I just more patient for my golf and my swing. I just want to -- today my goal was I want to make some last hole my birdie. (Laughter.)

Because that's the first one for this week. So, yeah, that's good for me.
