## Quick Quotes

### **Q. Five straight birdies; why?**

IN GEE CHUN: Well, I didn't know I made five straight birdies.

### **Q. You didn't?**

IN GEE CHUN: Yeah. I just focused on my shots. I did not feel well this morning.

### **Q. You didn't feel well like physically, like your stomach?**

IN GEE CHUN: No, because the weather, and because I have allergies. It's really bad. I did not feel good. And it was a lot of windy today, so I did not play with high expectations, but I could focus on my game better, and I play with Candie and Kelly today, and really thank them for making me feel comfortable. And my friends are here. I was so happy to see them enjoying my play, then I focused more on my game.
