THE MODERATOR: Questions in English.

Q. How much disappointed are you just now after this long, long match, long day?

JANNIK SINNER: Very disappointed.

Q. How was it to deal with the rain, with the heavy balls, with the ambience also?

JANNIK SINNER: For sure it has changed when we went out of the court and with the rain, and after was much slower, for sure.

You know, it was for both of us. The beginning was a lot windy. I managed very well the situation. Then after the rain delay, I had difficult time to go in the match.

Yeah, that third set was just little roller coaster and went his way.

Q. It was quite a Davis Cup ambience at one moment. He plays a lot with the crowd. Did it bother you at one moment? Because the handshake was cold. Do you think he's doing too much things with the crowd during the match?

JANNIK SINNER: No, I don't want to comment.
