## Paul Haley II

### Quick Quotes

**Q. Missed five cuts, top five finish today. Just overall thoughts on the round, playing with Scottie and that relationship.**

PAUL HALEY II: Yeah, it was awesome. I've known him since he was this high (indicating low), and now when I look up at him, he's that high (indicating high). It was a blast. This is the most fun I've had on a golf course in a long time. Really happy with it.

**Q. What does it mean on that note playing so much improved in your home turf in Texas too? How special is that?**

PAUL HALEY II: It's been great. Every time I've had home games, I've always struggled a little bit. It was great to get out here and have a good showing. To play with Scottie today, it was the time of my life today. So really happy.

**Q. Your Dallas background, where did you play growing up, and where are you playing now?**

PAUL HALEY II: I played at Royal Oaks Country Club, which I grew up with Scottie out there and had a lot of pros out there as well. About 40 minutes away is where I live.

**Q. How do you carry this into the season? Do you see this as validation, confidence building?**

PAUL HALEY II: I missed, like you said, five cuts in a row. Thanks for the reminder. It hasn't been that bad. I just haven't been able to play two good rounds in a row to make the weekend yet.

So it's nice to finally have the opportunity to play another two rounds and kind of build on what I believe I've been doing. Hopefully take this into the rest of the year.
